LOT/EXP. DATE

This product is a superior quality herbal extract that has been standardized by the principal active ingredient(s) in the herb - anthocyanosides (anthocyanidins). Standardized Herbal extracts maintain a consistent level of benefits in dose after dose. Mason Vitamins brings you the very best in herbal quality so you can feel the difference. To further enhance macular eye strength, take this product with Mason's quality Lutein.

Precautions: No serious or significant adverse reactions or drug interactions have been reported to date with the use of Bilberry. As with any supplement, consult your pharmacist or doctor if you are taking a prescription medicine.
