

This product has been manufactured and packaged in strict conformance with industry and government standards.

Vitamin C is a recognized antioxidant that fights Free Radicals that scientists believe contribute to the aging process and the development of many diseases. Vitamin C promotes Immune function, Gum health, and helps protect cells.

Some scientific evidence suggests that antioxidant vitamins may reduce the risk of certain forms of cancer. However, FDA has determined that this evidence is limited and not conclusive.\*

**Directions:** Adults, take one capsule one to two times daily as a dietary supplement, preferably with meals.

**Keep Out of the Reach of Children.**  
Store in a dry, controlled room environment.
