

This product has been manufactured and packaged in strict conformance with industry & government standards.

Vitamin C is a recognized antioxidant that fights Free Radicals that scientists believe contribute to the aging process and the development of many diseases. Some scientific evidence suggests that antioxidant vitamins may reduce the risk of certain forms of cancer. However, FDA has determined that this evidence is limited and not conclusive.*

Directions: One tablet one to two times daily as a dietary supplement, preferably with meals.

Keep Out of the Reach of Children.

Store in a dry, controlled room environment.
