

**MG MASON'S
GUARANTEE**

This product has been manufactured and repackaged in strict conformance with industry and government standards.

Vitamin C is a recognized antioxidant vitamin that fights Free Radicals that scientists believe contributes to the aging process and the development of many diseases.

Vitamin C promotes Immune function, Gum health, and helps protect cells. Some scientific evidence suggests that antioxidant vitamins may reduce the risk of certain forms of cancer. However, FDA has determined that this evidence is limited and not conclusive.*

Directions: Adults, take one tablet daily as a dietary supplement, preferably with a meal.

Keep Out of the Reach of Children.
